In the European Union there are separate collection systems for used electrical and electronic products. Please help us to conserve the environment we live in!

### Safety Information

To ensure reliable and safe operation of this equipment, please read carefully all the instructions in this user guide, especially the safety information below.

#### **Electrical safety**

- The TV set should only be connected to a mains supply which matches that stated on the label.
- To prevent overload, don't share the same mains supply socket with too many other items of equipment.
- Do not place any connecting wires where: they may be stepped on or tripped over.
- Do not place heavy items on them, which may damage the leads.
- Hold the main plug, not the wires, when removing from a socket.
- During a thunderstorm or while leaving the TV for long periods, set the switch off.
- Do not allow water or moisture to enter the TV or mains adaptor. Do NOT use in wet or moist areas, such as Bathrooms, steamy kitchens or near swimming pools.
- Pull the plug out immediately, and seek professional help if: the mains plug or cable is damaged, liquid is spilt onto the set, or if it is accidentally exposed to water or moisture, anything accidentally penetrates the ventilation slots, the set doesn't work normally.
- Do not remove the safety covers. There are no user serviceable parts inside. You may invalidate the warranty. This apparatus must only be serviced by qualified personnel.
- To avoid battery leakage, remove exhausted batteries from the remote control, or when not using for a long period.
- Do not break open or throw exhausted batteries on a fire.

#### **Physical safety**

- Do not block ventilation slots in the back cover. You may place the TV in a cabinet, but ensure at least 5cm (2") clearance all around.
- Do not tap or shake the TV screen, or you may damage the internal circuits. Take good care of the remote control.
- To clean the TV use a soft dry cloth. Do not use solvents or petrol based fluids.
- Do not install near any heat sources such as radiators, heat registers stoves or other apparatus (including amplifiers) that produce heat.
- Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong, the wide blade or the third prong is provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- Protect the power cord from being walked on or pinched particularly at plugs.
- Use only attachments/accessories specified by the manufacturer.
- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, has been exposed to rain or moisture, does not operate normally or has been dropped.
- Please always connect an apparatus with Class I structure to a main socket with protective earthing connection.
- Please make sure both main plug and appliance coupler work properly.

To receive warranty service, the purchaser must contact **VIORE** for problem determination and service procedures. Warranty service may only be performed by a duly authorized **VIORE** service center. The original dated bill of sale, receipt or receipted invoice must be presented upon request as proof of purchase to **VIORE** or **VIORE's** authorized service center.

**VIORE** will repair or if repairs cannot be made, **VIORE** will replace this Product at no charge if the Product is defective as specified in this limited warranty during the limited warranty period. **VIORE** may use new, or remanufactured parts or products to repair or replace the Product at its sole discretion. All replaced parts and Products become the property of **VIORE** and must be returned to **VIORE**. Replacement parts and Products assume the remaining original limited warranty, or ninety (90) days, whichever is longer.

Product freight needs to be prepaid by original purchaser and shipped in either its original packaging or packaging affording an equal degree of protection. **VIORE** shall not be responsible for or obligated to replace damaged goods. If you reside in California and you cannot transport the television due to the size, weight, and method of attachment, **VIORE** will provide transportation for the television to the repair facility. If you reside in a state other than California, you are responsible for the costs of transporting the television to a repair facility.

If the product is received damaged by **VIORE**, it is the responsibility of the consumer to file a claim against the carrier. **VIORE** will only store the damaged product for 30 days and reserves the right, in its sole discretion, to dispose of the damaged product or ship it back to the consumer at consumer's expense after 30 days.
